

Beacon Park Master

HOMEOWNERS ASSOCIATION, INC.

Community Garage Sale

Saturday October 22, 2016

Beacon Park Master will be promoting a community garage sale one week prior to the community cleanup effort sponsored by Orange County. This will be an opportunity to get rid of excess items, either by selling the items on the 22nd or by disposing of them on the 29th. Please keep the following guidelines in mind.

- Permits are the responsibility of the homeowner. See links on our website below.
- Do not post signs or flyers. The HOA will have signs/banners and post to the bulletin board, website and social media sites.
- Do not leave excess items out after the garage sale is over. Items must be taken inside and can be placed outside no earlier than Friday October 28 for the Orange County cleanup.

Updated info on these two events will be posted to this website.
